- NANCY -

EACH DAY STARTS AND ENDS THE SAME WAY. ONLY IN THE MIDDLE OF THE DAY IS DIFFERENT - THAT MAKES EACH DAY A WONDER ONLY TO FIND OUT EACH PASSING DAY. AS DAYS END ITS SAD TO THINK THAT YOU'LL NEVER SEE IT AGAIN. BUT THEN I THINK OF YOU, AND I CAN'T WAIT UNTIL THE NEXT DAY TO SEE AGAIN. YOU NEVER STOP CARING ABOUT ME, SOMETIMES I THINK (WHICH IS HARD FOR ME TO DO ANYWAY) THAT IF IT WASN'T FOR YOUR LOVE AND CARING WE WOUNLD HAVE MADE IT. WE HAVE FIGHTS AND ARGUMENTS BUT WE ALSO HAVE LOVE AND FUN TOGATHER. I HOPE THE FIGHTS ANA AR-GUMENTS <u>NEVER</u> GET THE BEST OF US. YOU KNOW WHAT I'm THINKING WHEN I SAY THAT I LOVE YOU IN MOR WAYS THEN I CAN EVER WRITE DOWN. SO, I HOPE YOUR HAPPY FOREVER AND DON'T LET <u>ANYONE</u>, I MEAN ANYONE, INCLUDING ME GET YOU DOWN.

FOREVER

ADMINISTRATION

The 1973-74 school year has proven to be a most memorable one for the students, community, and staff of James Monroe High School. Our "Vikings of the Valley" have demonstrated, again, enthusiasm, leadership, and outstanding skills and competencies in many areas of school endeavor.

The opening of our new Multi-Media Center in the library was a significant event. In addition, equipment, instructional materials, and other software were provided for many classes through implementation of the District Preferred Reading Program. Community support, in terms of input, advice, and assistance were provided by the Community Advisory Council and the Parent-Teacher Association.

In March, we underwent a revisitation, as scheduled, by two members of the Visiting Committee of the 1971 Accreditation. The students, community, and staff can take pride in the fact that the revisitation affirmed the overall excellence of our total educational program.

The existing high level of student and community support, together with the commitment of our dedicated staff insures that future improvements and refinements in our program will provide an even finer educational opportunity for all youth in the Monroe High School community.

Bee Football

With a tremendous effort against San Fernando this year the Monroe BEE Team went on to clinch another MVL Title. Although the Offense was held to 16.4 pts a game, the defense was as staunch as ever, allowing only 5.2 pts. a game. The Offensive power was anchored by the hard running of Joey Silberman, the team scoring leader with 6 touchdowns. While Bill Mann was second with 16 pts, connecting on 10 of 12 PAT'S. Other Vikings scoring this year were John Hopkins, Steve Neilson, Dave De Corter, Norm Stull, and Tim Glass. Rounding out the year against Birmingham, the Monroe defense forced Birmingham to 5 fumbles, recovering all 5, in their 24-0 romp to clinch the championship.

Holding the defense together this year was Mike Kutkomp, player of the year in the Mid-Valley League, along with Phil Belmonte, John Haas, and Paul Milkovich.

The offensive All-League team consisted of Co-Captain John Hopkins, Joey Silberman, and Norm Stull.

The Vikes hope to continue their dominance in MVL next year, too.

CROSS-COUNTRY 1973

The 1973 City Champions were led by Monroe's two greatest distance runners: City-Champion Richard Nance (9:37) and David Bernstein (9:53). They teamed with Ronald Russell, Bill Kench, David Kelley, Alan Dunn, Larry Varblow, Chris Pascone, and Steve Moulton in producing an undefeated season.

Richard Nance was beaten only once all year and that was by his teammate David Bernstein, during the balance of the season. To strengthen the team for the City Championship, Larry Varblow moved up from the Junior Varsity team; Chris Pascone and Steve Moulton were promoted from the Tenth Grade team. This team won the title because they had the ability, and more important were willing to work hard enough to accomplish it. The Junior Varsity team finished in second place in the Mid-Valley League. The team was led by Larry Varblow and Mike Ives. One of the brightest spots during the season was the running of Fernando Rosas. He was the hardest worker on the team and it showed as he continually improved throughout the season.

The Tenth Grade team won the Mid-Valley League Championship. This team was lead by Don Fujimato, Chris Pascone, Steve Masucci, Pete Recchia, Marty Orta, Scott Sloan, and Lance Strumpf.

FOREIGN EXCHANGE: GREECE

I came from the island Corfu of Greece through the American Field Service for 1973-'74. It was a really great chance for me to receive this scholarship from AFS and come spend a year in the United States. It was also this same good chance for me to come to the most beautiful of states, California.

I've been attending Monroe since September 1973. I really enjoy going to Monroe as I find it a very interesting school. Something that I like very much here is that we go to school just five days a week, because in Greece we attend school from Monday through Saturday. Another reason I enjoy Monroe is the classes and school system. It's easier and more interesting. We can choose the subjects that we are interested in.

In Greece, the high school system is completely different. First of all, each grade has to have specific classes. So when I was in Greece, I had to study Math, Physics, Chemistry, Ancient Greek, Latin, etc., every day and for each year.

As you understand, it was kind of boring, especially if you don't like Math.

Also, the students and teachers at Monroe are so nice and friendly.

I appreciate the hospitable American families very much. It's a very important thing for an AFS student to spend the year with a nice American family, such as the Goldbergs.

By the middle of July, all the foreign exchange students will return to their countries with so many experiences, probably different personalities and the funny thing; not being able to remember our native languages very well.

Marie Vitori from Greece

Staying with an American family, as a member of it, studying and being a part of the American way of life and styles, and having an education in an American school, in my opinion, is a very big opportunity for a person and I think everybody can get it!

For all these reasons and more, I want to thank Monroe and AFS for giving me the opportunity to spend this year here, which can never be forgotten.

Marie and host family "sister," Janice Goldberg

FOREIGN EXCHANGE: GERMANY

While in California, Edda stays with Cathy Robbins and her family.

Even though I like popcorn with sugar, I am quite normal. I like to get involved in everything, cut classes, date, eat, and have fun as much as I can; Monroe is really lots of fun.

In my school in Germany, only academic classes are offered. If we want to enter into a university, we have to go to school for 13 years and then graduate.

For anybody who wants to send me a birthday card: I was born on May 27, 1956 in Hamburg, Germany (a beautiful city without smog). I realized first how much I liked it when I was here for a couple of months. Germany has a lot to offer: beaches, mountains, lakes, castles, countryside, and big cities. There is plenty of snow, sun, and a great deal of rain. It also has something everybody would probably say about his own country; beautiful people.

Edda Zell, AFS student from Germany.

But even though I miss home I really enjoy staying here in California. When I'm back home I will miss the long hot summers, the palm trees, Bob's Big Boy and last, but not least, Monroe. I have never had so much fun in my whole schooltime as in the one year I went to Monroe.

Believe it or not, we are listening to the same music in Germany as you listen to here. My favorite groups are John Mayall, Emerson, Lake and Palmer, and Simon and Garfunkel. There are so many other groups I think are fantastic.

As to California, I'm sure that I will come back.

Cheryl gets a lift from Nick.

Many memories are spent at school with our Friends.

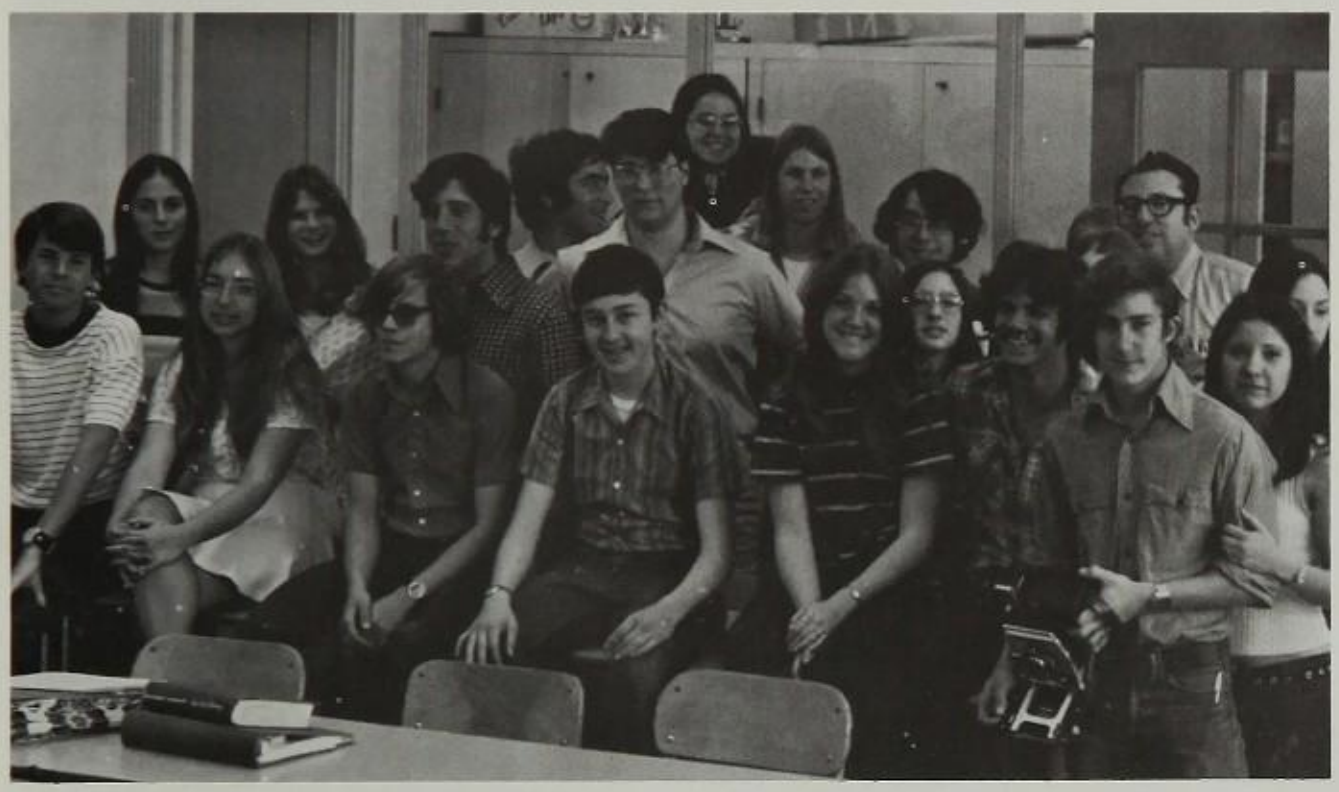
WRITERS CORNER: DOCTRINE STAFF

Scott working on a feature article.

Doctrine Staff has worked hard each day to get the news out on time and keep students posted on up date items. It isn't easy with the pressure and that monotonous clock staring at you. The only time it ever became a friend was when the students would finish before their deadline and a smile would appear on their faces.

Mr. Bernard Feuerman and editor Mike Waskul put in hours of their time. There were days when they felt like the roof would cave in, but they held it up somehow. Press Relations has worked diligently, also, to write and send articles about Monroe to the local newspapers. The more publicity, the more Monroe is recognized.



FIRST ROW: Scott Anderson, Joelle Colville, Jeff Gardner, Richard Macales, Kathy Roche, Steve Bastian, Joel Schulman, and Debbie Alvarado. SECOND ROW: PRESS STAFF: Linda Olson and Merry Lou Flockhart: Mike Kramer, Mark Pumar, Karen Faber, Mr. Feuerman, and Miss Singer. BACK ROW: Jim LeQuesne, Lori Strauss, Ray Platt, and Dave Stock. THOSE NOT PICTURED ARE: Mike Waskul, Maria Dominquez, Bill Kaler, Carl Waskul, David Brandon, Mike Metzger, Mark Bowman, Ron Venverloh, Lynn Roepke, Diane Lee.

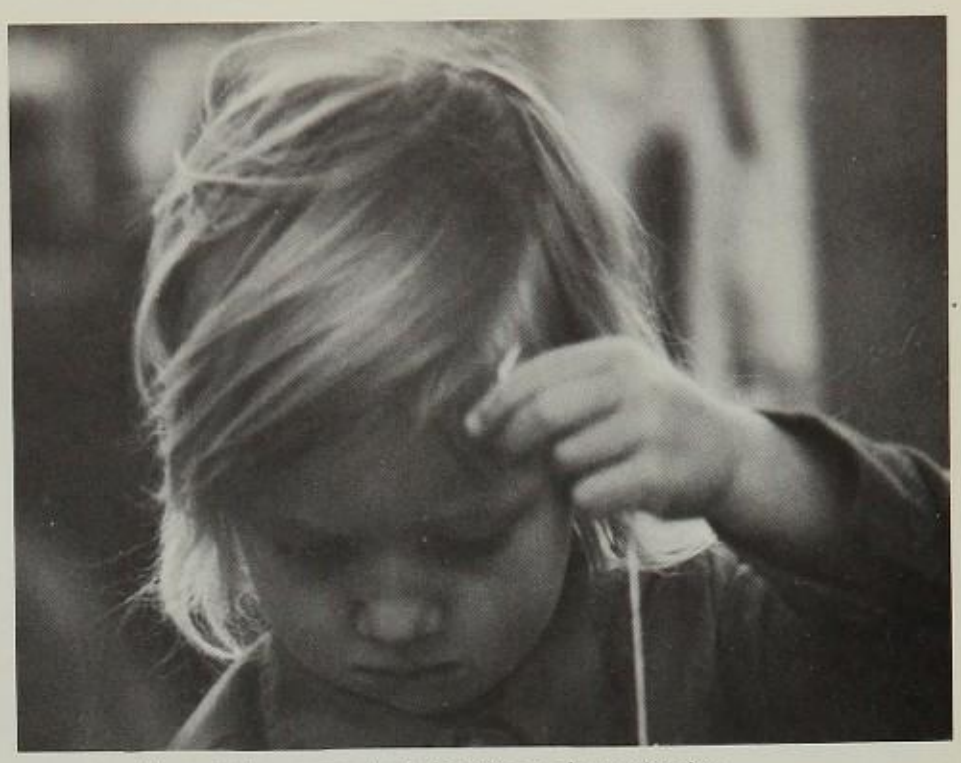
CHILDHOOD EDUCATION

Judy Beranek helps the children with a project.



Young kids are constantly learning and experiencing.

Children running, jumping and having fun are all part of the joys of growing up. The children learn from the adults and vice-versa. It can be a moment to recall when helping a child solve a problem or joining them in their play.

Children from the community come to Monroe to work with the Childhood Education class sponsored by Mrs. Rigby.

Giving the youngsters aid and giving them love can be a rewarding experience that all can have. It gives you a chance to be with children and feel their emotions. Childhood education helps prepare you for a family of your own in the future.

There is nothing more pleasing to look at than happy children.

Gary Allensworth strings beads for the young lady.

Lisa Moore enjoys the laughter of the youth.

EXPLORATORY TEACHING

AFTER THE DEADLINE . . .

pizzas . . . life savers . . . [illegible] and a date to the prom all became part of the deadline hours, those minutes when the staff stayed beyond the 3:10 bell to complete "the book." By 4:30 142 pages were complete; those last hours which evolved into 12 midnight committed the staff to rough drafting, cropping and final proofing of 30 pages.

Forewarning of the exciting, hectic and rewarding year which lay ahead occurred early in the first semester: the undercl[illegible] section had all their pictures stick to each other — all had to be sent back to the photographer for reprinting. Sports, or lack thereof, became the next crisis followed by the mysterious disappearance of senior pictures [illegible] the rescue by retrieval.

In any monumental effort more than the obvious people are responsible — special thanks to Joel Shulman and Rich Neumand for their unlimited use of their darkroom; those Watson people for their talent, patience and last minute understanding, Mr. X, Viga B, Mr. Shelton, Mr. Friedman, Mr. Kindseth, Mr. Eshelman for all their unexpected assistance; and the administrators, staff and faculty who tolerated with kindness the staff's disappearing acts to get these last pages to the plant on time.

MEMORIES . . .

The friends and good times to look back upon.

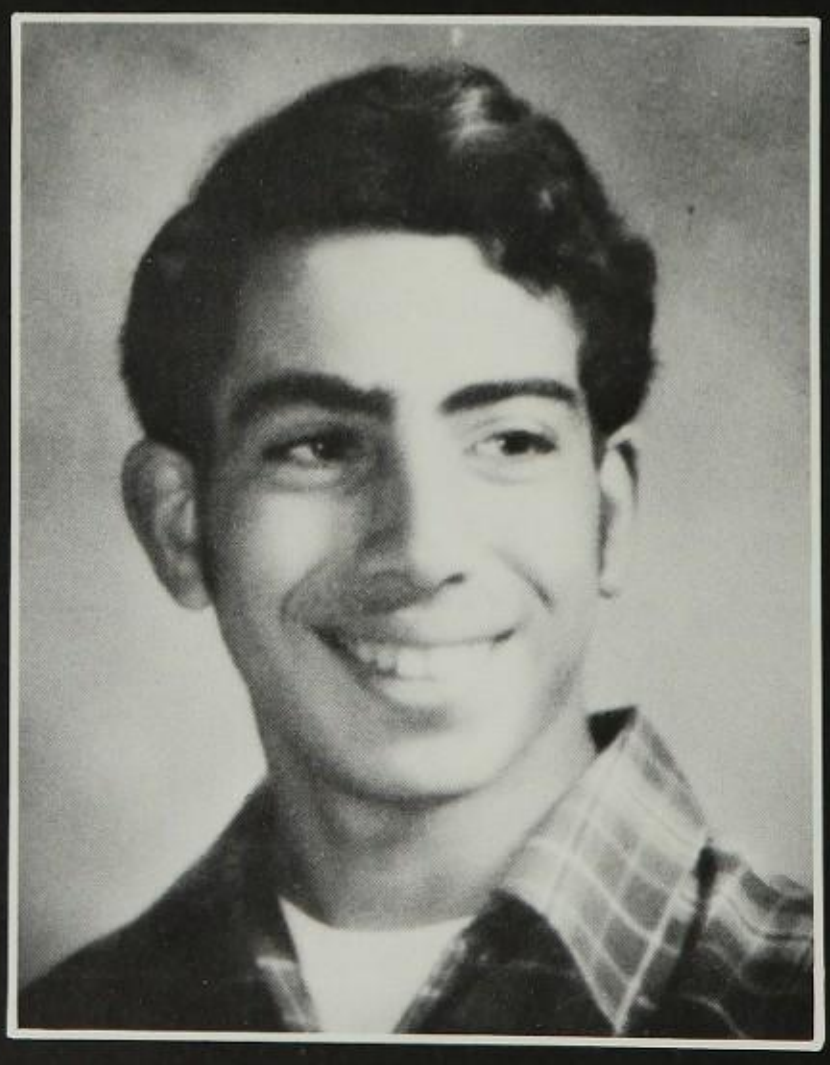
LAURIE WARREN
January 19, 1957 — January 1, 1974

The life we have is very great;
The life that we shall see
Surpasses it we know because
It is infinity.

But when all space has been beheld
And all dominion shown,
The smallest human heart's extent
Reduces it to none.

NO man is an ISLAND, entire of it self; every man is a piece of the CONTINENT, a part of the MAIN; if a CLOD be washed away by the SEA, EUROPE is the less, as well as if a PROMONTORY were, as well as if a MANOR of thy FRIENDS or of THINE OWN were; any man's DEATH diminishes ME, because I am involved in MANKIND; And therefore never send to know for whom the BELL tolls; It tolls for THEE.
John Donne

GARY BAPTIST
March 8, 1957 — August 29, 1972



Nancy,

Its been a great year, it all went by so fast! I'm so glad you became my friend, you really helped me out in shorthand. You like my "Dear Abby" cause I tell you all my problems soon. Well I hope you and Craig are really happy together, I wish you two "Oceans of Happiness." I will really miss you, but keep in touch.
